Appeal Comments

No 9/24/18 When CFC recently checked to see if [REDACTED] still wanted to pursue the waiver, she brought up another issue of allegedly being underpaid related to an untimely WGI and its impact on the pay she received for a temporary promotion. She asks that this underpayment be addressed during the waiver process. CFC informed her to contact her HR representative to see about the WGI issue and let us know when that is resolved as it will affect the amount of her debt (plus debt increased since the bill was originally issued). CFC & OGC closed file on request.

8/14/18 reassigned to Mary O'Lone
